Veteran's Competition Helps Keep Veterans Active

The Martinsburg VA Medical Center (VAMC) hosted the Veterans Integrated Service Network 5 (VISN5) "Mini-Games", Saturday, May 21, at the medical center.

The games were designed to prepare local and regional Veterans for the 2016 National Veterans Golden Age Games (NVGAG), one of the largest senior sports events in the nation. This year's NVGAG will be held in Detroit, Michigan, from July 10 through 14.

More than 40 Veterans from the Martinsburg VAMC, Loch Raven VA Community Living and Rehabilitation Center, Washington DC VAMC, and the Lebanon VAMC joined together to compete against one another in a series of athletic events, including track and field events, horseshoes, table tennis, shuffleboard and more. The oldest competitor was 90-years old.

Operation God Bless America

Motorcycle enthusiasts from around the region rode to the medical center Sunday, June 5, for the 26th Annual God Bless America motorcycle ride. The ride is organized by Operation God Bless America and is designed to honor those who served and raise funds for patients of the Martinsburg VA Medical Center. This year, despite a lack of cooperation from the weather, the ride raised \$20,000! Thank you to all the riders and participants for joining us and letting our Veterans know that they are not forgotten. To check out this year's video visit our [Facebook page](#)!
