

## **Preceptor Biography**

Name: Susan Asmussen, Pharm.D., BCPS

Primary Practice site: Anticoagulation Telephone Clinic

School of pharmacy: Wilkes University

Residency program: Martinsburg VAMC

Usual daily activities: Evaluating patients via phone to monitor and adjust their warfarin. I also make pharmacotherapy phone calls following up on diabetic and lipid patients. I assist on the teams and in the CBOCs as needed.

What you like most about working for the Martinsburg VAMC: There is a wonderful team atmosphere. Pharmacy is looked on favorably by other departments and our opinions and assistance is welcome and appreciated. We provide excellent healthcare to some great patients.

Other interests:

Pharmacy: Ambulatory care, Women's Health, Mental Health

Personal: My dog, Church, Cooking, Wineries, Road trips
