### PAPERWORK REDUCTION ACT AND PRIVACY ACT NOTICE

Public reporting burden for this collection of information is estimated to average 30 minutes, including the time for reviewing instructions, searching existing data sources, gathering data, completing, and reviewing the information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to VA Clearance Officer (005R1B), 810 Vermont Avenue NW, Washington, DC 20420. Do not send applications to this address.

**AUTHORITY:** The information requested on this form and Authorization for Release of Information is solicited under Title 38, United States Code, Chapters 73 and 74.

**PURPOSES AND USES:** The information requested on the application is collected to determine your qualifications and suitability for appointment to a VA clinical training program. If you are appointed by VA, the information will be used to make pay and benefit determinations and in personnel administration processes carried out in accordance with established regulations and systems of records.

**ROUTINE USES:** Information on the form may be released without your prior consent outside the VA to another federal, state or local agency. It may be used to check the National Practitioner Health Integrity and Protection Data Bank (HIPDB) or the List of Excluded Individuals and Entities (LEIE) maintained by Health and Human Services (HHS), Office of Inspector General (OIG), or to verify information with state licensing boards and other professional organizations or agencies to assist VA in determining your suitability for a clinical training appointment. This information may also be used periodically to verify, evaluate, and update your clinical privileges, credentials, and licensure status, to report apparent violations of law, to provide statistical data, or to provide information to a Congressional office in response to an inquiry made at your request. Such information may be released without your prior consent to federal agencies, state licensing boards, or similar boards or entities, in connection with the VA's reporting of information concerning your separation or resignation as a professional staff member under circumstances which raise serious concerns about your professional competence. Information concerning payments related to malpractice claims and adverse actions which affect clinical privileges also may be released to state licensing boards and the National Practitioner Data Bank. Information will be stored in a confidential and secure VA database for purposes of processing your application and may be verified through a computer matching program. Information from this form may also be used to survey you regarding employment opportunities in VA and to solicit you perceptions about your clinical training experiences at VA and non-VA facilities.

**EFFECTS OF NON-DISCLOSURE:** See statement below concerning disclosure of your social security number. Completion of this form is mandatory for consideration of your application for a clinical training position in VA; failure to provide this information may make impossible the proper application of Civil Service rules and regulations and VA personnel policies and may prevent you from obtaining employment, employee benefits, or other entitlements.

### INFORMATION REGARDING DISCLOSURE OF YOUR SOCIAL SECURITY NUMBER UNDER PUBLIC LAW 93-579 SECTION 7(b)

Disclosure of your Social Security Number (SSN) is mandatory to obtain the employment and benefits that you are seeking. Solicitation of the SSN is authorized under provisions of Executive Order 9397 dated November 22, 1943. The SSN is used as an identifier throughout your Federal career. It will be used primarily to identify your records. The SSN also will be used by Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records, 'Applicants for Employment' under Title 38, U.S.C.-VA (02VA135), in the 2003 Compilation of Privacy Act Issuances. The SSN will also be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is necessary because of the large number of Federal employees and applicants with identical names and birth dates whose identities can only be distinguished by the SSN.

## Instructions

The information collected on this form is used to determine your acceptability for Federal and Federal contract employment and your enrollment status in the Government's Life Insurance program. You may be asked to complete this form at any time during the hiring process. Follow instructions that the agency provides. If you are selected, before you are appointed you will be asked to update your responses on this form and on other materials submitted during the application process and then to recertify that your answers are true.

All your answers must be truthful and complete. **A false statement on any part of this declaration or attached forms or sheets may be grounds for not hiring you, or for firing you after you begin work. Also, you may be punished by a fine or imprisonment (U.S. Code, title 18, section 1001).**

Either type your responses on this form or print clearly in dark ink. If you need additional space, attach letter-size sheets (8.5" X 11"). Include your name, Social Security Number, and item number on each sheet. We recommend that you keep a photocopy of your completed form for your records.

## Privacy Act Statement

The Office of Personnel Management is authorized to request this information under sections 1302, 3301, 3304, 3328, and 8716 of title 5, U. S. Code. Section 1104 of title 5 allows the Office of Personnel Management to delegate personnel management functions to other Federal agencies. If necessary, and usually in conjunction with another form or forms, this form may be used in conducting an investigation to determine your suitability or your ability to hold a security clearance, and it may be disclosed to authorized officials making similar, subsequent determinations.

Your Social Security Number (SSN) is needed to keep our records accurate, because other people may have the same name and birth date. Public Law 104-134 (April 26, 1996) asks Federal agencies to use this number to help identify individuals in agency records. Giving us your SSN or any other information is voluntary. However, if you do not give us your SSN or any other information requested, we cannot process your application. Incomplete addresses and ZIP Codes may also slow processing.

**ROUTINE USES:** Any disclosure of this record or information in this record is in accordance with routine uses found in System Notice OPM/GOVT-1, General Personnel Records. This system allows disclosure of information to: training facilities; organizations deciding claims for retirement, insurance, unemployment, or health benefits; officials in litigation or administrative proceedings where the Government is a party; law enforcement agencies concerning a violation of law or regulation; Federal agencies for statistical reports and studies; officials of labor organizations recognized by law in connection with representation of employees; Federal agencies or other sources requesting information for Federal agencies in connection with hiring or retaining, security clearance, security or suitability investigations, classifying jobs, contracting, or issuing licenses, grants, or other benefits; public and private organizations, including news media, which grant or publicize employee recognitions and awards; the Merit Systems Protection Board, the Office of Special Counsel, the Equal Employment Opportunity Commission, the Federal Labor Relations Authority, the National Archives and Records Administration, and Congressional offices in connection with their official functions; prospective non-Federal employers concerning tenure of employment, civil service status, length of service, and the date and nature of action for separation as shown on the SF 50 (or authorized exception) of a specifically identified individual; requesting organizations or individuals concerning the home address and other relevant information on those who might have contracted an illness or been exposed to a health hazard; authorized Federal and non-Federal agencies for use in computer matching; spouses or dependent children asking whether the employee has changed from a self-and-family to a self-only health benefits enrollment; individuals working on a contract, service, grant, cooperative agreement, or job for the Federal government; non-agency members of an agency's performance or other panel; and agency-appointed representatives of employees concerning information issued to the employees about fitness-for-duty or agency-filed disability retirement procedures.

## Public Burden Statement

Public burden reporting for this collection of information is estimated to vary from 5 to 30 minutes with an average of 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to the U.S. Office of Personnel Management, Reports and Forms Manager (3206-0182), Washington, DC 20415-7900. The OMB number, 3206-0182, is valid. OPM may not collect this information, and you are not required to respond, unless this number is displayed.
